

# INSOLE WITH ARCH & METASARAL PAD

## ABOUT THE PRODUCT

Insole with Arch & Metatarsal Pad provides perfect support for the feet. The metatarsal pad helps relieve pressure and tension, ensuring balance and comfort throughout the day. Carefully designed to conform to the natural shape of the foot, this insole is ideal for anyone needing extra support while walking or standing for extended periods. The high-quality materials offer durability and longevity, while the ergonomic design ensures a comfortable and stable fit in any shoe.

## BENEFITS

- Prevents sports related frictional injuries as starter arch provides median height that makes it ideal for sports and running.
- Posture correctness, elastomeric blood flow maintains neutral pronation and impact resistant towards injuries.
- Designed to support bones and bear all physical stress and strain.

## HOW TO USE

- Place it firmly inside your shoe or slipper, smoothing out any air bubbles.
- Test the grip by taking a few steps to ensure stability.
- To remove, gently peel from one corner without leaving residue.
