

2/3 INSOLE WITH HIGH ARCH

ABOUT THE PRODUCT

2/3 insole with high arch support offers a perfect blend of comfort and stability for those with high arches. Designed to fit seamlessly into a variety of footwear, these insoles help distribute weight evenly across the foot, reducing pressure points and preventing foot fatigue. Crafted from durable, breathable materials, they ensure your feet stay cool and dry, even during extended periods of wear. Whether you're walking, running, or simply on your feet all day, these insoles provide the support you need to keep moving comfortably.

BENEFITS

- Designed to conform arch plate for comfort fit.
- Absorbs shocks, stabilizes foot in neutral position (body balancer) and prevent progressive flat foot and pronation.
- Support arch and control undesired motion, aligning heel and ankles.
- Easily affixed into any foot wear in use and ideal for all foot types.

HOW TO USE

- Place it firmly inside your shoe or slipper, smoothing out any air bubbles.
- Test the grip by taking a few steps to ensure stability.
- To remove, gently peel from one corner without leaving residue.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
