

3/4 INSOLE WITH HIGHARCH

ABOUT THE PRODUCT

3/4 Insole is designed with built-in arch support to provide comfort, balance, and pain relief during daily activities. It helps reduce heel, knee, and back pain by maintaining proper posture and distributing body weight evenly. The soft Progel cushioning absorbs shocks and prevents foot strain, while the 3/4 design fits easily into most shoes without crowding the toes.

BENEFITS

- Supports the heel and arch to maintain proper foot alignment and reduce strain.
- Absorbs shocks and provides all-day comfort while walking or standing.
- Lightweight 3/4 design fits easily into most shoes without crowding the toes.

HOW TO USE

- Place it firmly inside your shoe or slipper, smoothing out any air bubbles.
- Test the grip by taking a few steps to ensure stability.
- To remove, gently peel from one corner without leaving residue.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
