

WEDGE STRIPS

ABOUT THE PRODUCT

Gel Wedge Strips are soft, flexible gel supports designed to correct foot alignment and reduce pressure on heels and ankles. They help prevent over-pronation, heel pain, and shoe friction, providing balanced support and comfort during walking or standing. Made from skin-friendly, durable gel, these strips are washable, reusable, and fit easily inside any footwear for daily use.

BENEFITS

- One side of foot inserts is raised for medial and lateral unloading.
- Designed to place under foot for reducing the pressure & stress on muscles, tendons and joints.

HOW TO USE

- Place it firmly inside your shoe or slipper, smoothing out any air bubbles.
- Test the grip by taking a few steps to ensure stability.
- To remove, gently peel from one corner without leaving residue.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
