

HEEL PAD / FEMALE

ABOUT THE PRODUCT

The Heel Pad (Female) is designed to give soft, cushioned support to your heels, reducing pressure and discomfort during daily activities. Made with gentle, skin-friendly gel, it fits easily into most types of footwear and provides all-day comfort. Its shock-absorbing design helps ease heel pain caused by long hours of standing, walking, or wearing hard-soled shoes. The non-slip surface keeps the pad securely in place, ensuring stable support with every step. Lightweight and flexible, it blends seamlessly into your shoes, making it an ideal choice for daily wear, office use, or casual outings.

BENEFITS

- Cushioning to ladies heel while wearing high heels, reduces pain.
- Invisible gel cushion with tapered edges fits easily and alleviates annoying heel pains.

HOW TO USE

- Place the pad inside your shoe with the gel side facing up.
- Position it under your heel for cushioned support.
- Press gently to fix it in place.
