

TOE SPREADOR FOR 5 FOOT FINGERS

ABOUT THE PRODUCT

The Toe Spreader for 5 Foot Fingers is designed to gently separate and align all five toes, improving foot posture and reducing friction. It helps relieve discomfort from bunions, overlapping toes, or tight footwear, while promoting better circulation and overall foot comfort. Soft, flexible, and easy to wear, it can be used during daily activities or while resting.

BENEFITS

- Keeps your toes spread, correcting the crowding that causes toes to rub; also an effective form of bunion pain relief that acts as a bunion corrector to promote proper toe alignment.
- Comfortably fits between toes to absorb pressure while reducing friction & irritation.
- Relieves pain from soft corns, overlapping toes, nail problems, bunions, hammer toes, planter fasciitis & poor circulations.
- Prevents discomfort in diabetic conditions.

HOW TO USE

- Slide the spreader onto your toes, ensuring each toe fits comfortably into its slot.
- Adjust gently so that toes are separated but not stretched uncomfortably.
- Wear during daily activities, exercises, or while resting for better alignment and comfort.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.
