

TOE SEPRADOR

ABOUT THE PRODUCT

Toe spreaders are designed to relieve pressure and friction between toes. By gently keeping toes apart, they help prevent and reduce discomfort caused by corns, blisters, overlapping toes, and bunions. Made from soft, flexible gel, they provide all-day comfort, improve toe alignment, and support better foot health.

BENEFITS

- Pain relieving toe aligner and straightener with extreme cushioning between toes, able to provide care similar to Toe Spreader.
- Unlike Toe Spreader, its D-ring covers the big toe and thus it can be even used with slippers also. D-ring also provides extra stability to big toe too.

HOW TO USE

- Slide the spreader onto your toe, ensuring toe fits comfortably into its slot.
- Adjust gently so that toes are separated but not stretched uncomfortably.
- Wear during daily activities, exercises, or while resting for better alignment and comfort.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
