

# TOE SEPRATOR WITH 2 LOOP

---

## ABOUT THE PRODUCT

The Toe Spreader with Two Loops is a dual-loop gel separator designed for secure, stable toe alignment. Each loop fits over two adjacent toes, ensuring the spreader stays firmly in place during walking or daily activities. It provides gentle separation to reduce friction, prevent overlapping, and relieve pressure caused by bunions, toe drift, and tight footwear.

---

## BENEFITS

- Two loops offer a stronger grip and prevent slipping inside shoes.
- Gently separates toes to support natural toe positioning.
- Helps prevent blisters, corns, and discomfort caused by toe friction.

---

## HOW TO USE

Slide the loop over the designated toe and position the gel separator between the toes. Wear during regular activities or rest.
