

TOE SEPRATOR WITH BUNION SHIELD

ABOUT THE PRODUCT

Gel toe separators with a bunion shield help improve foot health by realigning toes and relieving pressure on the bunion joint. The soft gel material provides comfort and cushioning, while the shield specifically protects the bunion from friction and irritation, making them useful for those with bunions and overlapping toes.

BENEFITS

- Straighten & reduces friction between toes (prevent infections) & sleeved cushion for painful bunions, lubricating skin with hypoallergenic medical grade Progel technology.
- Unlike Toe Spreader, its D-ring covers the big toe and thus it can be even used with slippers also. D-ring also provides extra stability to big toe.

HOW TO USE

Slide the loop over the designated toe and position the gel separator between the toes. Wear during regular activities or rest.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
