

WHEELCHAIR SUPPORT CORRUGATED

ABOUT THE PRODUCT

The Wheelchair Support (Corrugated) is designed to provide enhanced comfort and pressure relief for long sitting hours. Its corrugated gel/foam structure helps distribute body weight evenly, reducing strain on the hips, tailbone, and thighs. The raised and lowered grooves improve air circulation, keeping the skin cooler and preventing discomfort. Durable, soft, and supportive, this cushion helps maintain better posture and is ideal for daily wheelchair use, offering improved comfort and reduced pressure on sensitive areas.

BENEFITS

- Gel commode pads provide comfort and relief while toileting.
- These gel toilet seat cushions are easy to clean with standard disinfectant, will not support microbiological growth and do not absorb body fluids or odors.
- Will does not leak, flow, or bottom out.

HOW TO USE

- Place the cushion on the wheelchair seat with the corrugated side facing up.
- Sit gently, ensuring your hips and thighs are centered on the cushion.
- Adjust your position for balanced pressure relief and comfort.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
