

ROUND GEL FOR FINGERS

ABOUT THE PRODUCT

The Round Gel Finger Massager is a soft, flexible gel disc designed with multiple raised pressure points for effective finger and palm relaxation. The smooth round base gives a stable grip, while the structured pods gently stimulate pressure areas to reduce tension, improve circulation, and relieve stiffness in fingers, hands, and palms. Its compact design makes it perfect for daily use at home, work, or on the go.

BENEFITS

- Provides gentle pressure massage to reduce stiffness and fatigue.
- Helps stimulate micro-circulation through raised gel nodes.
- Ideal for people with long typing hours, smartphone use, or hand strain.

HOW TO USE

- Hold the gel disc in your hand and press or roll your fingers over the raised nodes for 1–3 minutes. Clean with mild soap and air-dry after use.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
