

GEL FINGER PADS

ABOUT THE PRODUCT

Gel Corn Pads are soft, comfortable, and stretchable slip-on sleeves with a gel cushion placed inside to protect and relieve pressure on corns and calluses. They help reduce pain, friction, and irritation while walking or standing. Made from skin-friendly, washable, and reusable material, these pads provide lasting comfort and protection for everyday use.

BENEFITS

- Corn Pads are a soft, comfortable, and stretchable slip-on sleeve with round gel pasted inside.
- Helps to relieve painful corns and calluses.
- This product is washable and reusable.

HOW TO USE

- Clean & dry finger.
- Slide tube onto the finger and position over the sensitive area.
- Adjust for comfort and use during daily activities for cushioning & protection.

Instructions : If the product gets dirty or sticky, clean with talcum powder, rinse with mild shampoo and water, shade dry, and avoid direct heat.

Safety : Keep away from heat and sharp objects.
